SCAN7 perform a live P.A. They are not Dj's! Therefore it is important that the promoter does not wait until tue last minute to locate equipment that is new or like new condition.It is also very important to have the a system check done n advance for all equipment.Check for short and bad cable cords should be performed to avoid any technical problems. Pleae be sure that any person(s) handling the process understand the importance.

NOTE: If there is a major problem with the sound system or if the venue should lose power during the Artist presentation, Artist has a right to stop and discontinue the performance with no responsibility to the artist .

Please send us if Possible the layout of the stage of the performance area .

Promoter /Venue Owner(s):
